

90 Day Bed bug Warranty

Terms:

Warranty starts the day of initial service.

After initial treatment a follow up inspection will automatically be scheduled within 10-14 business days. If any live bugs are found, that area will be re-treated immediately and another follow up inspection will be scheduled within 10-14 business days.

Once you have been cleared of bed bugs a \$75.00 svc fee may be charged for any additional inspections until the warranty concludes.

The warranty will be voided if bed bug preparation and post bed bug treatment list procedures are not followed and /or fees are not paid or new furniture is moved in. Warranty does not transfer.
